## Christmas Ornament Project 2011

The full size pattern is to the far right.  
It measures 3-3/4 SQ.x 3/4 inch thick.  
The type of wood is Butternut but you can use any wood.  
All that is needed is a knife.

2. Draw pattern on wood. 3. Saw outline and drill hole.

4. Recess top of bell. 5. Cut bottom bell opening 6. Contour bell 7. Contour leaves and berries

Note: Pattern is intended to be flat on the back.  
Figure 10 is optional.

Paint or clear sealer may be applied.

By: Joe Dillett, 2011

8. Detail leaves. 9. Cleanup edges 10. Optional contour back
