

Dear Fellow Carvers,

The Tri-City Carvers welcomes Steve Brown from Madisonville, Kentucky as our 2011 featured carver.

Steve has been carving since 1978 and teaching since 1986. Steve has won numerous national and international awards and he is also the author of "carving pen figures" and "carving kaleidoscopes." Along with some of the major seminars, he has taught weekend and week long seminars throughout the country.

Currently, two of the largest strictly caricature carving seminars in the United States are put on by Steve, twice a year. Once in March and then again in October at the Renegade Woodcarvers Roundup. The seminars bring together 5 nationally known caricature carving instructors of which student will carve with a new instructor, each of the 5 days.

Steve is also the founding, and only, member of the Karicature Karvers of Kentucky.

The Tri-City Carvers are very excited about having Steve as our featured carver for our 2011 show this year.

As you all know it's the vendors such as yourself and the beautiful displays of art that make for a great show. For those of you who have supported our show in the past, and to those of you who might be new to our show, the Tri-City Carvers would like to personally thank everyone for their help in making our show a success.

Sincerely,  
Show Chairman  
Bob Thurston
